

## Daiko Fishing Tackle Gallery Grand Opened.

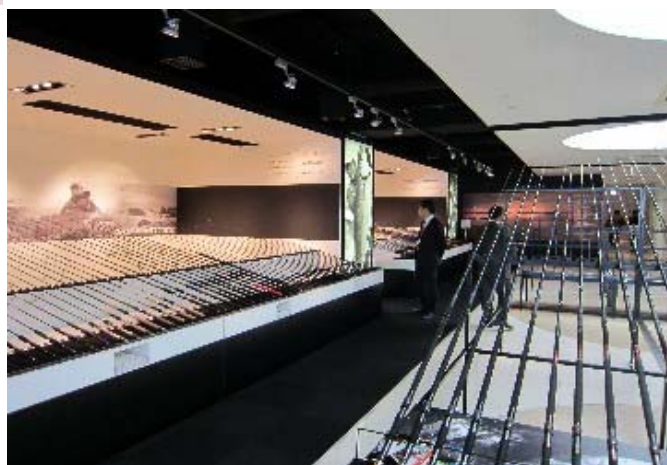

Daiko Fishing Tackle Gallery grand opened in Nakanoshima (Kita-ku, Osaka) at 11:00 on Wednesday, September 7 to show a full lineup of fishing rods of our Fishing Department's 60-year-old Daiko brand.

Many customers and clients visited the Gallery.

Some enthusiastic Daiko users came all the way on their days off from beyond Kyoto, Osaka or Kobe.

They actually picked up brand-new rods or their desired ones and gave us valuable comments and questions.

We would like to communicate directly with clients and actual users through the Gallery to help develop products.
